

The Merry Hare Bar

The Merry Hare Bar is professionally run and fully stocked, available to hire for any occasion!

About Us

Merry Hare Events is run by Paul and Jo. After former careers in banking and teaching, we decided to change direction. We opened a village pub in Wiltshire and were asked to do so many outdoor events that we turned it into a business!

Paul holds a Personal Licence for the sale of alcohol, and Jo is also a wedding and event planner. This combination means we have the perfect set of skills to make sure your bar is perfectly run.

About The Bar

The bar itself is rustic timber design. It is 12ft long, and we also have a 6ft whisky barrel bar which can be used. It comes complete with lights and can be decorated to fit event themes.

About the drinks

We serve premium draught lager such as Birra Morretti or Madri and Draught Cider such as Westons's Vintage or Thatchers Gold. We also have a premium Gin and Tonic on tap. This reduces queuing time for guests.

We offer a range of other spirits and Fever Tree mixers as well as white and red wine, prosecco and cocktails. We will work with you to create the drinks menu to suit the needs of you and your guests. Real Ale is available in bottles. If you require cask draught ale, then we ask you to purchase the cask, as this cannot be re-used after opening.

Pricing

We charge an initial booking fee. This booking fee includes:

- Securing your chosen date
- Hire of the bar
- A minimum of two trained, uniformed staff
- A customised drinks menu

We can provide a payment bar for guests to buy their own drinks using cash, card, apple pay etc. Or we can provide a pre payment bar where you provide an amount of money to pay for your guests drinks. Or a bit of both!

Things to Know

Glassware

We use eco friendly plastic glassware or can provide real glassware at an extra cost. If real glassware is selected please note that it may not last the duration of the event and if it runs out we will use disposable. We strongly advise clients not to use glass at events on public land or on farm land. Please check with the venue that real glass is permitted. Merry Hare Events will accept no responsibility should injury to persons or animals or damage to venues or land occurs.

There will be a charge for glassware lost or broken by guests.

Temporary Event Notice

If your venue is not licensed to sell alcohol then you will need a Temporary Event Notice. We can apply for this for you and is included in your booking fee.

The Law

Merry Hare Events operates under The Licensing Act 2003 and we operate a "think 25" policy. No alcohol will be sold to anyone under the age of 18. All guests that appear to be UNDER 25 WILL REQUIRE A PHOTO ID. Guests that appear to be under 18 and can not prove otherwise will be refused service.
